

AmeriCorps and AmeriCorps VISTA programs currently have a large number of positions available for the purpose of engaging qualified individuals with disabilities and those from diverse backgrounds in service to their country in their own community. AmeriCorps members can earn a living allowance, an education award (to use for higher education or vocational training), healthcare and childcare.

**** The AmeriCorps living allowance and Education Award do not count as income for SSI benefits eligibility. ****

Arizona AmeriCorps programs and the Arizona's Governor's Commission on Service and Volunteerism recognizes the unique talents and abilities of all Arizonans, and seeks to create a diverse and inclusive environment in which to develop highly performing programs through the recruitment, support, and full participation of people of diverse backgrounds, including people with disabilities, in all aspects and at all levels.
